## WHO ARE SOLAR TEACHING?

We are a Northwest based education recruitment agency with a combined experience of over 10+ years.

We work with a large range of schools in and around Cumbria and other Primary, Secondary, SEND and Multi-Academy Trusts across various locations throughout England and Wales. We collaborate with some of the largest MATs across the UK, including the John Taylor MAT, Wade Deacon Trust, Wave Multi Academy, and Heath Family Trust.

We have a dedicated Consultant in each location who works closely with our Partner schools and trusts.

- People before profits agency
- Large pool of candidates available to suit needs
- Day to day, short term, long term or permanent solutions
- Consultants are available 24/7
- Professionally-written and presented personal profiles to introduce Candidates to schools

## HOW WE WORK?

Every morning, all partnered schools receive a pool of candidates who are available for work. All candidates provided are fully vetted and up to date with the government's guidelines prior to placement.

We understand the importance of flexibility, so we offer our services as a secondary point of contact, working around the school's existing arrangements.

Our prices are negotiable and can be tailored to meet your budget requirements. We guarantee competitive rates without compromising the quality of service.
