

Computer-Aided Design (CAD) Skills Bootcamp

2025 - 2026

Boost your career with our CAD Skills Bootcamp

Gain practical CAD skills with our 10-day Skills Bootcamp—5 days of 2D AutoCAD and 5 days of 3D SolidWorks. Flexible, hands-on training tailored to all experience levels. Ideal for adults 19+ looking to boost their design career.

Gain industry-relevant knowledge and hands-on experience in Computer-Aided design with our intensive CAD Skills Bootcamp.

This flexible 10-day course includes 5 days of 2D AutoCAD and 5 days of 3D SolidWorks training, tailored to suit learners of all experience levels.

Designed with a practical focus, the Skills Bootcamp equips you with the confidence to apply your new skills in real-world projects. Whether you're upskilling or launching a new career, this is your opportunity to build in-demand, sector-specific skills.

Open to adults aged 19 and over, Skills Bootcamps are government-supported, fast-track training programmes to help you take the next step in your career.

Are you an employer?

Bridge skills gaps in your business by upskilling your team through our CAD Skills Bootcamps.
