Management

22 April 2026
Dr Sam
Gardner
ScottishPower

24 Jun 2026
Sam Dowsing
Gangmasters
and Labour
Abuse Authority

With topics ranging from floods and heatwaves to UK energy supply and ensuring an exploitation-free supply chain, the new [Transforming Tomorrow Masterclass Series](#) from [the Pentland Centre for Sustainability in Business](#) and [Lancaster University Management School](#) will help you understand how to tackle these issues.

Designed for SMEs in Lancashire and Cumbria, we offer an opportunity to network and grab a bite to eat, as well as gain insights and understanding from leading professionals.
